

MEETING IS DEVOTED TO HOME ECONOMICS

Daughters Discuss Work Being Done Toward Making Life of Farm Women Easier.

MISS MANNING MAKES ADDRESS

Federation of Woman's Club Is Also Seeking Way in Which to Render Country Life More Attractive. Jolly Twelve Entertained.

[Special to The Times-Dispatch.]

EMPORIA, VA., June 12.—The program of a recent meeting of the Joseph Hedges Chapter, D. A. R., was devoted to home economics. There was a talk on the aim and scope of the work as attempted in the Federation of Women's Clubs. An interesting feature of the program was an account of what the government is doing to help the women on the farm by Miss Ella Manning, county demonstration agent. The Smith-Lever appropriation has made it possible to develop this work in many counties. The aim is to make home life on the farm easier and more attractive by the use of simple labor-saving devices. The county agents are taught to make loessless refrigerators, fireless cookers and kitchen cabinets. If farm life is to be successful, the women must have more time for rest and for the higher things of life. Miss Manning spent this week in Smithfield learning the practical methods in canning. It is said that Greensville is the only county in the state in which the Farmers' Union asked the supervisors for an appropriation that the women might be given an equal chance with the men. At this meeting the chapter made a contribution towards the negro sanitarium to be built by the Anti-Tuberculosis Association.

Miss Mary Wood entertained the jolly twelve on Saturday afternoon at her home on Greenville street with four tables of progressive forty-two. Mrs. J. E. Grizzard made the highest score and won the first prize. The consolation prize was presented to Miss Helen Kunes. The rooms were decorated in daisies, laurels and red rambler. Grape fruit salad was served after the game. Those playing were Mrs. A. M. Potter, Mrs. J. R. Grizzard, Mrs. George Roszel, Mrs. N. J. Oliver, Misses Rose Friend, Bettie Lee, Julia Cato, Sissie Powell, Eleanor Tillar, Helen Vincent, Marietta Cato, Grace Lear, Sara Wyche, Mattie Wyche, Helen Kunes, Louise Goode and Pinkie Tillar.

The regular meeting of the Town Council was held on Friday night, with every member present. An appropriation of \$1000 was made for street improvement. The entire jail force will be kept on drainage work until the ditching is done necessary to get rid of the mosquito and eradicate malaria.

A small crowd and very little business marked June court day. The rain of the past week got the farmers behind with their work, and on the first sunny days in ten they stayed at home to catch up.

The following party motored to Lawrenceville on Thursday to attend the Women's Missionary Convention of the Methodist Church. Mrs. E. M. Parker, Miss Annie Cooper, Mrs. J. H. Cato, Mrs. J. D. Peebles, Mrs. J. D. Walker, Mrs. J. R. Grizzard and Mrs. R. J. Green.

NEWBRO'S HERPICIDE IN SUMMER

Whether you spend the summer months in the city, or country, at the lake, mountain or seashore, the season brings added responsibility in the extra care to be devoted to the toilet.

The hair in particular needs more attention than at any other time. The perspiration that exudes in increased quantities carries with it waste and poisonous matter, which unless removed promptly, clogs the pores and irritates the scalp. This makes it doubly difficult to keep the hair and scalp sweet and clean, and renders the frequent and intelligent use of Newbro's Herpicide almost a necessity.

ADDS TO YOUR COMFORT

It is refreshing. Regular applications give a sense of coolness and cleanliness besides keeping the hair and scalp healthy. Herpicide adds gloss and beauty to the hair and thus increases one's personal charm and attractiveness.

If the hair be wet from bathing, whether in fresh or salt water, Herpicide quickly restores the natural fluffiness and softness. It stops itching of the scalp, due to dandruff almost instantly.

Possessing a dainty, exquisite odor, Newbro's Herpicide is an ideal hot weather hair dressing. When you start away on your summer outing have a bottle in your grip.

Send 10 cents for sample bottle to the HERPICIDE CO., Dept. 124-B, DETROIT, MICH. Applications at the better barber shops. Sold and guaranteed at all toilet goods counters.
